LINHA de PERFIS

LINHA ALUMÍNIO

A UBVA desenvolveu uma linha de perfis de alumínio exclusiva, garantida por sua matéria-prima de qualidade.

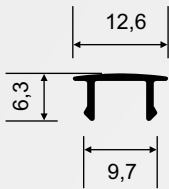

Além disso, a UBVA preza pela excelência de seus produtos, seja no acabamento, na facilidade de instalação, resultando em uma linha dedicada para atender o seu projeto, tais como: box, janelas, portas, escadas, coberturas, fachadas, guarda-corpo, kit pia e inúmeras possibilidades.

Conheça a linha de alumínio e todas as opções disponíveis de cores e espessuras, para vidros de 8 e 10mm.

- ■ Perfis 8 e 10mm
- ■ Kits | Conjuntos
- ■ Fachadas e Coberturas
- ■ Tubos retangulares e quadrados
- ■ Guarda-Corpo Panorama
